REPORT

No. U. 234  
20-3-43  
Date March 11-th, 1943.

Foreign Affairs Station/ File No.

Date March 11-th, 1943.

SUBJECT: Re Attached Communication from Heinz GLASER,  
applying for a Testimony of Conduct.

1. Name of applicant:- Heinz Glaser,
2. Address:- 421 Lane, House No.15 Ward Road.
3. Application for:- Testimony of Conduct from the Commissioner of Police.
4. Object:- Having one previous conviction, he has difficulty to obtain employment

COMMENT.

Heinz GLASER alias GANTHER was arrested on the 16-th of July, 1941, and charged with Misappropriation of two typewriters from 685/70 East Seward Road. He appeared before the S.S.D. Court on the 17-th of July and was sentenced to 3 months imprisonment. (Please see F.I.R. 1213/41 Wayside St. C.R.O.No. F. 3684). He was released from the Ward Road Gaol on the 16-th of October, 1941. Born on the 25-th of March, 1903 at Breslau, Germany, of Jewish parents.

It can be stated that it appears to be a case of impertinence from the applicant to request from the Commissioner of Police a testimony of conduct in which his previous conviction should be avoided, in order that he might obtain employment. In other words he wants the C.P. to issue him a false document.

It would be much easier for the applicant to state the true facts of his previous conduct to his employer-to-be and ask him to forget about it, promising to be honest in the future.

The undersigned respectfully suggests that the issue of a Testimony of Conduct should be refused or if issued to include the one previous conviction.

Shanghai, 26th February, 1943

To the  
Commissioner of Police

Sir,

I herewith apply for a testimony of conduct in order to get an employment as salesman. I have to point out that I served three month in jail in 1941. That was my only penalty and there wont be another one.

When it happened I could not stop the sentence in due time for the accuser acted very ill-natured. I was not innocent but I had no chance to settle the matter.

In order to get the employment in question the sentence must not be mentioned in the testimony of conduct although the manager of the firm knows about. He trusts me and he wants to give me a chance but the testimony of conduct has to be produced to the owner of the firm.

Therefore I ask you kindly to abandon the mentioning of my served sentence in the testimony of conduct otherwise I wont be able to get the job and I wont have a chance, after a long time beeing out of job, to start a new life again.

Thanking you in anticipation, I remain, Sir,

Respectfully yours

*Heinz Glaser*
